

DUO-Belgium/Flanders: 1. General Description

DUO-Belgium/Flanders Fellowship Programme was established in 2011 with the aim of promoting exchanges of students between Belgium/Flanders and 4 Asian countries (China, India, South Korea and Vietnam) on a **balanced and permanent** basis. In this respect, DUO-Belgium/Flanders requires that a **PAIR (two persons)** of students will be exchanged in the framework of a cooperative project. Definition of 'student':

- Undergraduate (bachelor) and graduate (master) students who are currently enrolled in universities or university colleges in Flanders or one of the four Asian countries.
- Nationality of the student is not a criterion.

N.B.: All applicants should maintain their "student status" from the time of application until the end of their exchange period.

1. 1 Eligibility

Due to the unique nature of this program, in order to be eligible, the exchange project needs to fulfill all five requirements below:

- 1) A higher education institution in Belgium/Flanders (home institution) and an educational institution in Asia (host institution) have established an academic *cooperative agreement* or have the intention to set up a new cooperation agreement.
- 2) The Flemish higher education institution, as well as the Asian partner cannot ask tuition fees to the students for the exchanges.
- 3) The Flemish home institution has selected a Flemish student enrolled at the home institution to send to the Asian host institution, and such selection has been accepted by the Asian host institution. A Flemish student is defined as a student from any nationality, subscribed in a Flemish Higher Education Institution.
- 4) The same Asian host institution has selected an Asian student enrolled at the host institution to send to the Flemish home institution, and such selection has been accepted by the same Flemish home institution.
- 5) If the Flemish student has already started the exchange or the Asian student has already

stayed in Belgium/Flanders before the application period for DUO- Belgium/Flanders 2017, the application is not acceptable.

1.2. The Duration and the Amount of the DUO-Belgium/Flanders Fellowships

DUO-Belgium/Flanders 2017 is for exchange projects, which will start from August 2017 and end before September 2018 to avoid duplication of implementation period of exchange projects selected by DUO-Belgium/Flanders in the ensuing years. The selection of DUO-Belgium/Flanders 2017 is made **ONLY** once a year. In this respect, those who are planning to exchange in Spring Semester of 2018 (January-August 2018) shall apply for DUO-Belgium/Flanders 2017.

The duration and the amount of the fellowships are **standardized** as follows:

*The amount of the fellowships is **Standardized** as follows:*

- 650 Euro/month for Flemish students and 800 Euro/month for Asian students
- 1,100 Euro for BOTH the Flemish student and the Asian student for the purpose of travel costs.

An extra 200 euro/month can be awarded to Flemish students that belong to the underrepresented groups in higher education (Flemish study grant, students in a working programme, students with disabilities recognized by VAPH).

The **duration** of exchange should be **at least one semester**. A semester is defined as the period including the eventual introduction activities, the period of teaching and the period of preparing and doing the examinations. A period of 15 days before the start of a semester is also accepted in the period of funding. Exchange of less than one semester is **NOT** allowed. If a semester is longer than 4 months in the visiting institution, fellowship will be given for 4 months. If a semester is less than 4 months in the Home/Host institutions, then the scholarship will be adjusted on a pro-rata basis.
