NOTICE

Attention: All the UG and PG students of MNNIT Allahabad

Subject: Inviting ideas for **Jal Shakti Abhiyan** campaign undertaken by **Department of Drinking and Sanitation, Ministry of Jal Shakti, Government of India**

Under the theme **Sanchay Jal, Behtar Kal** (A water conservation campaign), the Department of Civil Engineering is inviting ideas for presentation in context of redressing water scarcity situation in 5 specific intervention areas:

- a. **Water conservation and rainwater harvesting**
- b. **Renovation of traditional and other water bodies or tanks**
- c. **Reuse, bore well recharge structures**
- d. **Watershed development**
- e. **Intensive afforestation**

Students are required to present their ideas in the form of a PowerPoint presentation (10-25 slides), and a brief description of their ideas in the form of an abstract (1-2 pages), consisting of the identified problem and the proposed solution. The practical ideas concerning studies and solutions for Prayagraj locality will be preferred. They can work individually or with a maximum team size of three. The teams can be inter-year, inter-branch or inter-disciplinary. Best ideas will be duly recognized and will have a chance to be featured on the ministry website. All teams will get a participation certificate.
