National Online Seminar on Roles & Responsibilities of Higher Technical Institutions in Effective Implementation of National Education Policy 2020

Motilal Nehru National Institute of Technology Allahabad conducted one day National Online Seminar on "Roles and Responsibilities of Higher Technical Institutions in Effective Implementation of National Education Policy 2020".

The Chief Guest for this online national seminar was the Chairman, Committee for Draft National Education Policy Padma Vibhushan Dr. K. Kasturirangan. The valedictory session was honoured by the presence of Chief Guest and Member of NITI Aayog, Padma Bhushan Dr. V.K. Saraswat.

The objective of this seminar extends towards the efficient implementation of different perspective of New National Education Policy 2020 and to design long, medium and short term plans.

Shri Madan Mohan ADG(HE) Ministry of Education discussed the National Education Policy 2020 and emphasized on the significant roles of technical institutions in fulfilling its objectives.

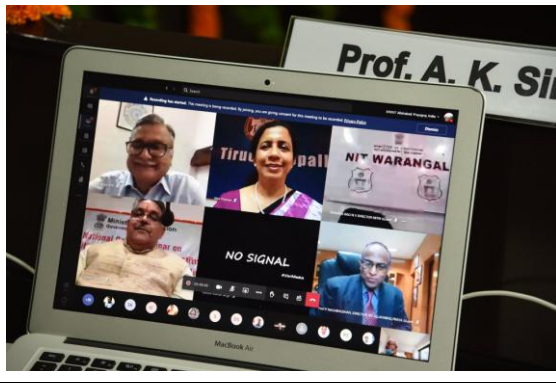

Chief Guest Dr. K. Kasturirangan in his intellectual address stated that the New Education Policy aims at providing employment skills without compromising the quality of education. The main objectives of the New National Education Policy 2020 is to utilize the best technologies, strengthen the institutions and to provide right direction to the Indian education system without any compromise in the quality.

Directors from various NITs, IITs and IIITs of the country participated in the online webinar. The seminar was organised in three panel in which experts including Director NIT Tiruchirupalli, Dr. Mini Shaji Thomas; Director IIT Roorkee, Prof. Ajit K. Chaturvedi; Director NIT Warangal, Prof. N. V. Ramana Rao; Director IIIT Allahabad, Prof. P. Nagabhushan; Director NIT Jamshedpur, Prof. K.K. Shukla; Director NIT Jaipur, Prof. Udaykumar R.Y. discussed various perspectives of National Education Policy 2020 in details.

Chief Guest of valedictory session, Member of NITI Aayog Padma Bhushan Dr. V. K. Saraswat emphasized on the role of higher educational institutions specially National Institute of Technology. He explained the importance of multi disciplinary education in dynamic progress of the technical and scientific achievements of the country. He also laid emphasis on early education to build curiosity, problem solving ability, team work, inculcating ethics in children.

Avishkar - 2020

Avishkar, the annual techno-management festival of MNNIT Allahabad, is back with its 2020 rendition from 31st October to 3rd November 2020. The first day marked a grand opening ceremony by the Saraswati Vandana with the honorable Chief Guest of the evening being Padma Vibhushan Dr. Vasudev K. Aatre and honorable director of the institute Prof. Rajeev Tripathi along with fellow dignitaries. The dignified faculty members addressed the gathering and motivated the students.

Due to COVID-19 pandemic, competitions were held virtually on the Microsoft Teams Platform. Under the banner of Rasayans, Chemathalon and Quiziosity were conducted virtually along with Blueprints, Survivor Series, and Triathlon under the banner of Mechrocosm. Triathlon is an entire mock placement procedure that helps students prepare for corporate scrutinizing methodology in advance, laid it's focusing on the scope for budding mechanical engineers. Similar events are planned for all the branches of engineering.

Softathalon and TuxWars, under Cyberquest, familiarized the students with the world of Linux and networking and channelized the potential of the to-be software engineers. Ziggurare, under the banner of Nirmaan, aimed at checking the conceptual understanding of civil engineering students, witnessed massive participation. Linkidge and Constrengtho were other events under Nirmaan. Predefined Hardware and Pentathalon, dedicated to electrical engineering, were held under the title of Power Surge.

Chanakya Neeti, Stall Mart, and Netritva held under the banner of Monopoly provided a platform to students for showcasing their leadership skills. Ad-Hole and Trading Strategist, events under Oligopoly nurtured the managerial skills of students.

However, the highlights of the first day were undoubtedly gnoTalks, a talk show conceptualized like no other. It witnessed the former head of DRDO Padma Vibhushan Dr. Vasudev K. Aatre sharing his great insights on the field of science. His proficiency in the field of science and strategies left the crowd spellbound. Resonant with the vibrant and youthful energy, the charm of gnoTalks dusted at every single personality present there virtually.

The beginning of Avishkar 2020 couldn't have been any better. Despite the extraordinary functioning situations, the first day witnessed huge participation in all the events and aptly set the level of excitement creating the platform for it to grow and expand.
