All HODs

Subject: Information regarding Financial Support from MNNIT Alumni Association for the Technical Projects (B. Tech. & M. Tech.)

Dear Sir/Madam

It is for your kind information that Executive Committee of MNNIT Alumni Association has resolved in its first Executive Committee meeting held on January 11, 2020 that Alumni Association will provide funds for high value technical projects submitted by the students through their supervisors (Guidelines are attached herewith for your ready reference). You are kindly requested to circulate this notification among all the faculty members & students of your department for its wide publicity and awareness among the users.

Further, for giving equal opportunity to all the departments, it has been decided that each department may be given fund in the ratio of number of students for the technical projects. You are requested to kindly submit the same at the earliest latest by February 28, 2020.

Guidelines for Financial Support for Technical Project:-

A student can apply for **Financial Support** for technical project during his/her studies provided he/she does not have any other financial support for the concerned project either from the Institute or any other funding agency (An undertaking may be taken from the student regarding no other financial support, which should be duly forwarded & recommended by the Supervisor & HOD) . The procedure for allocation of appropriate fund is as follows:-

1. The application for the project fund requirement by UG students must be submitted first to the concerned Head of Department and Coordinator (TEQIP-III) for providing the required fund. If the application is denied, the same application needs to be annexed to the application for the project fund requirement to Secretary, MNNIT Alumni Association.

2. The application for the project fund requirement by PG students must be submitted first to the concerned Head of Department, Coordinator (TEQIP-III) and Dean (R&C) for providing the required fund. If the applications are denied, the same applications need to be annexed to the application for the project fund requirement to Secretary, MNNIT Alumni Association.

3. Secretary will check the status of availability of funds. If fund available, the proposal will be sent to three member technical committee (relevant field/area expert alumni) constituted by competent authority for critical evaluation via e-mails. A copy of the same will also be circulated to all the executive committee members for information (and evaluation, if interested) via e-mails.

4. After receiving the expert comments, secretary will put up the proposal to competent authority for final approval/rejection/ re-submission with suggested modifications.
