Swarnim Vijay Mashal [Victory Flame] [November 23, 2021]

Motilal Nehru National Institute of Technology Allahabad, Prayagraj celebrated 50 years of glorious victory of Indian Army in Indo-Pakistan War 1971. On the occasion of completion of 50 years of Indo Pakistan War 1971, Swarnim Vijay Mashal (victory flame) reached MNNIT Allahabad Prayagraj under the leadership of Colonel V. V. Vaidya who presented the Swarnim Vijay Mashal to the Director of the Institute, Prof. Rajeev Tripathi.

A wonderful performance of the army band and March past was done ahead of vehicle carrying Victory Flame, seeing which the people were mesmerized and hailed slogans of Jai Hind and Bharat Mata ki Jai.

Director of the Institute, Prof. Rajeev Tripathi, welcomed the guests. He stated that On December 16, 1971, the Indian Armed Forces achieved a stellar and historic victory over the Pakistan Armed Forces and it was also the biggest surrender of any army after World war II. Swarnim Vijay Varsh (Victory Year) is being celebrated in memory of this glorious victory. Director of the Institute, Prof. Rajeev Tripathi thanked the Army for this opportunity and said that it is a matter of pride for the Institute. He felicitated Col V.V. Vaidya, Col V.K. Seth, Captain Ahana, Subedar Jagdish, Subedar R.T Yadav and other ranks. On the said occasion, the administrative officers of the Institute along with the officers of the Army, teachers, employees and a large number of technocrats were present.

Activities : November 2021

Training Programme of Non-Teaching Staff [November 24-26, 2021]

The second session of training programme for Non-Teaching Staff (ministerial cadre) of MNNIT Allahabad has been organized on Establishment Rules during November 24-26, 2021.

Sign of Memorandum of Understanding [MoU] [November 25, 2021]

Motilal Nehru National Institute of Technology Allahabad, Prayagraj signed Memorandum of Understanding (MoU) with Wyton Pharmaceuticals & Agrotech Private Limited Lucknow on November 25, 2021.

A Technology for developing two different herbal formulation was developed by Devendra Singh, Research Scholar under the guidance of Dr. Vishnu Agarwal, Head, Department of Biotechnology MNNIT Allahabad. This novel drug is not only effectively helpful in treating bacterial infections caused by different bacteria but also has anti-biofilm and anti-quorum activity, which hinders the bacterial biofilm and bacteria torque mechanism. The scientifically tested and well proven formulation claims to treat the infections caused by wide variety of bacteria effectively. This is the first and only formulation available in market which has scientifically proven anti-biofilm and anti-QS activity.

Constitution Day [November 26, 2021]

72nd Constitution day was celebrated in the Institute where faculty and non-faculty staff joined the program and read out the preamble of our constitution. Various features of constitution of India alongwith fundamental Duties & Rights were discussed during the program.
