RENAISSANCE 2k21

The 6th version of MNNIT's annual entrepreneurship summit, RENAISSANCE 2k21, has been successfully organized and was conducted virtually in light of the prevailing COVID 19 situation. Organized by the Institute Innovation Council(IIC) MNNIT, sponsored by Design Innovation Centre (DIC), Renaissance 6.0 witnessed humongous participation, with the students filled in with anticipation and eagerness to learn, compete and excel on sharpening and nurturing their entrepreneurial spirits, taking the event to an even higher note.

The chief guest of the event Prof. Rajeev Tripathi, Director MNNIT Allahabad, motivated the young minds regarding the need for an entrepreneurial approach in the modern world. He also highlighted that there is a need to have critically thinking, problem-solving entrepreneurs who are ready to positively change the world for the betterment.

President IIC - Prof Geetika also highlighted the need of innovation and startup and emphasized the need of entrepreneurship mindset. Convener IIC - Prof Shivesh Sharma welcomed all the guests and gave an overview of the entire event.

The E Summit came up to conclusion on a high note leaving students pumped to follow their passions by planning ahead to be job-creators and not job-seekers to make India Atmanirbhar.
