

**4Week Summer Training Program (Self financed) in Chemical/Biochemical/Polymer  
Sciences and Nanotechnology**  
(20 May -18 June, 2017)

Organized by  
**Department of Chemistry**  
**Motilal Nehru National Institute of Technology**  
**Allahabad-211 004**

**Venue: Motilal Nehru National Institute of Technology Allahabad 211004**

**About the Program:** The aim of the summer training is to introduce the necessity of innovativeness in research field *with reference to* chemical/biochemical/polymer sciences and nanotechnology with different flavour but from unique platform. The program includes lectures, tutorials, practical and **summer project** by a group of experts, in a manner accessible to the beginners to research for UG and PG (BS/MS/M.Sc./BTech/MTech) students with relevant background and researchers in the interface of Physics/Chemistry/Biological/Polymer Sciences & Technology/Chemical Engineering/Biotechnology/Food Technology /Nanotechnology.

**Topics to be covered:** A brief and quick review on research strategy: Preparation, characterization and evaluation aspects & biological evaluation and their potential utility in diversified fields of research vis-à-vis importance of applications to get high value products.

**Travel and accommodation:** No travel allowance will be provided. Accommodation may be arranged in Hostels on request & expenses including fooding will be borne by participants themselves.

**Number of seats:** Limited to 12 candidates only (First cum first serve basis)
