Kindly refer to the enclosed eligibility matrix submitted to MNIT, Jaipur who is organising Central Counselling for M.Tech. (CCMT - 2013) for M.Tech. admissions to NITs and other Centrally Funded Institutes (CFI) for session 2013-14. This eligibility matrix was prepared after getting eligibility matrix from different departments of the Institute and submitted to MNIT Jaipur after approval by Director (a copy of approval and eligibility seat matrix enclosed).

Further, it is pertinent to mention here that the eligibility criteria for M Tech. admissions under CCMT -2012 was as given below:

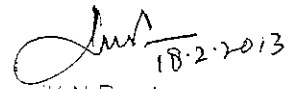

"Eligibility criteria to M.Tech./M.Plan. admission will be 6.5 CGPA (on a 10-point scale) or 60% for OC/OB whereas 6.0 CGPA (on a 10-point scale) or 55% in case of SC/ST candidates in the qualifying degree. For PD candidates the eligibility criterion will apply to the category they belong to (OC/OB/SC/ST)"

Subsequently, approval was taken by Director to make all admissions in the Institute by replacing equivalent word mentioned in eligibility criteria by 6.5 CGPA where 60% or equivalent was mentioned to make eligibility criteria at par with CCMT-2012 (Copies of approval attached) CCMT-2013 has made same eligibility criteria for admissions to M.Tech. programmes for session 2013-14

Therefore it is requested to kindly arrange to put following two matter in forthcoming Senate meeting for approval of Senate:

1. Approval of eligibility criteria for admission to different M.Tech. programme of the Institute.
2. Making eligibility criteria for admissions at par with CCMT-2012 and CCMT - 2013 by following
 - a) 55 % or equivalent CPI replaced by 55% or 6.0 CPI (CGPA)
 - b) 60 % or equivalent replaced by 60% or 6.5 CPI (CGPA)
 - c) And so on...

This is regarding admission to M.Tech. (Full Time), M.Tech.(Part Time) and M.Tech. (Sponsored) for session 2012-13. In this session, admission to M.Tech. (Full Time) is through Combined Counseling for M.Tech. (CCMT-2012) which is conducted by MNIT, Jaipur. The following eligibility criteria was set by CCMT-2012 for M.Tech. (Full Time) programme:

In the qualifying degree a candidate MUST obtain minimum (i) 6.5 CGPA (on a 10-point scale) or 60% (where CGPA is not awarded) for OC/OBC/PWD (ii) 6.0 CGPA or 55% (where CGPA is not awarded) in case of SC/ST candidates

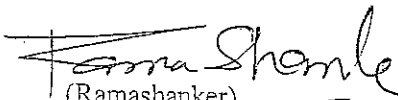

Whereas the eligibility criteria for M.Tech.(Part Time) and M.Tech. (Sponsored) advertized by the Institute was as given below:

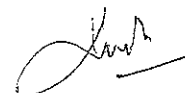

The "specified minimum" marks/CPI (Cumulative Performance Index), implies a minimum of 60% aggregate marks or equivalent CPI for OC/OBC. For SC/ST candidates eligibility in specified minimum marks is relaxed to 55% or equivalent.

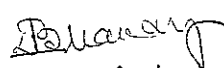

It is therefore proposed that the equivalent CPI mentioned for admission to M.Tech.(Part Time) and M.Tech. (Sponsored) by the Institute should be made at par with CCMT eligibility criteria. Therefore "equivalent" word should be treated as given below:

(i) 6.5 CGPA (on a 10-point scale) for OC/OBC/PWD (ii) 6.0 CGPA (where CGPA is not awarded) in case of SC/ST candidates.

Submitted for your kind approval.

Date:20.6.2012

Kindly refer to the enclosed letter which has been approved by the Chairman Senate. As per that approval the equivalent CPI mentioned for admission to M.Tech.(Part Time) and M.Tech. (Sponsored) by the Institute was made at par with Combined Counseling for M.Tech. admissions (CCMT-2012) eligibility criteria.

Admission to Ph.D. (Full time and Sponsored) is scheduled on 21.6.2012 and 22.6.2012. The eligibility criteria for Ph.D. (Full time and Part Time) advertized by the Institute was as given below:

“The “specified minimum” marks/CPI (Cumulative Performance Index), implies a minimum of 60% aggregate marks or equivalent CPI for OC/OBC. For SC/ST candidates eligibility in specified minimum marks is relaxed to 55% or equivalent”.

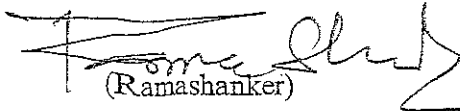

To make eligibility criteria uniform in all admissions, it is proposed that in Ph.D. admissions also the “equivalent CPI” should be treated as given below:

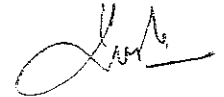

“(i) 6.5 CGPA (on a 10-point scale) for OC/OBC/PWD (ii) 6.0 CGPA (where CGPA is not awarded) in case of SC/ST candidates”.

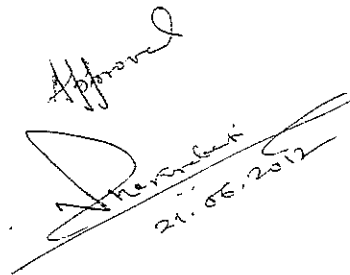

Accordingly, equivalent mentioned elsewhere should be treated as given below:

- i. 55% or equivalent CPI : “equivalent CPI” should be treated as 6.0 CGPA
- ii. 70% or equivalent CPI : “equivalent CPI” should be treated as 7.5 CGPA
- iii. 75% or equivalent CPI : “equivalent CPI” should be treated as 8.0 CGPA

Submitted for your kind approval please.

Following are the recommendations:

1. The caeses of the following M.Tech students were discussed regarding grant of Semester leave for the odd semester of the session 2012-13 because of their unavailability during the semester after registration in odd semester. The cases were forwarded and recommended by their convener DPGC.

1. Mahendra Singh (2010PTEN14) M.Tech. Environmental Engineering

2. Sanjeev Kumar Sinha (2010PTEN13) M.Tech. Environmental Engineering

In SPGC meeting it was resolved that they may be permitted for semester leave for the odd semester of session 2012-13 and they may be allowed to register in even semester of the session 2012-13 with the condition that they have to complete the work of odd semester in next session (2013-14) in odd semester (July to December). It was also observed and accepted that in future the practice of asking semester leave at the end of the semester should be stopped and PG manual clause 5.4 should be strictly followed well in advance of the date of commencement of the leave requested.

2. The case of Mr. Pushkar Srivastava (2012MT19) was discussed and it was found that the request for semester leave in first semester is not permissible as per PG Manual. But keeping the sympathetic view regarding happenings in the student's family and strong recommendation of DPGC of AMD the committee decides to recommend the case for consideration in Senate.

3. The case of PhD student Priyanka Kochar (2010RMS03) regarding permission for late delivery of State of Art Seminar which was due before 04.06.2012. Candidate applied for permission in the month of August-2012 and DPGC meeting was held on 03.09.2012 but the minutes of the meeting was made available in Dean (Academic) office in the month of December-2012. The lapses were observed on the part of the student as well as department. Now the SPGC resolved that she may be allowed to deliver State of Art Seminar within 15 days of permission granted. It was also resolved that any satisfactory grades awarded for State of Art Seminar in the odd semester of session 2012-13 should be withdrawn.

4. The case of Ph.D student Mrs. Vandana Agarwal (2006RME03) requesting for permission of one semester for her Ph.D thesis submission before the end of the even semester 2012.

The committee deliberated on the issue and recommended that she may be permitted to submit her thesis by the end of even semester 2012 but no further extension will be granted because she has already taken one semester permission beyond 6 years permitted time.

5. The case of Ph.D student Mr. Asit Mohanti (2008REE08) regarding second mercy was discussed whose first mercy was rejected by senate in its 42nd meeting held on 16.11.2012 and resolved that in light of fresh supporting view of thesis supervisor Dr. S. R. Mohanty and bad happenings in the family of Mr. Asit Mohanti, the case may be again recommended for sympathetic reconsideration in Senate.

6. The case of Ph.D student Ms. Richa (2006REE12) requesting extension of one semester beyond six years to submit her thesis was considered and resolved that she may be recommended for extension because she has already delivered her open seminar.
7. The case of Ms. Priya Gupta (2012CA35) as recommended by DPGC for semester leave in odd semester of session 2012-13 on medical reasons and registration in first semester in July 2013 was discussed and resolved that the case may be recommended for consideration in Senate.
8. The case of Mr. C. N. Singh (2008REE54) regarding request for extension of time limit to appear in Comprehensive Examination in 5th year of his PhD programs was discussed and resolved that the case may be recommended for discussion in Senate. His case is pending since August-2012 for decision.
9. The cases of following students related to conversion of full time M.Tech program to Part Time off campus student after getting job and recommendation of concerned DPGCs after receiving NOC from their employer were discussed.

1. Shiv Pratap Singh Tomar (2011SW20)
2. Priti Singh (2011SW23)
3. Navneet Singh (2008REE04)

It was resolved that they may be permitted as per past practices and permission granted by past Chairman-SPGCs though there is no clause exists in PG Manual. Similar permissions has already been granted in previous years in light of resolution no.8 of 12th Senate meeting held on 22.11.2005 but that resolution was related to few students of AMD and EED only. After that resolution permissions have been granted for many similar cases in previous years.

10. The request of Mr. Sarsij Tripathi (2008RCS11) for waiver of registration for even semester of session 2012-13 after delivery of Open Seminar was discussed and it was resolved that as per PG Manual clause 4.1 the candidate has to register till submission of thesis afterward he will be governed by PG manual clause 4.2 Hence DPGC recommendation for the registration waiver was not accepted.
11. The request of Ph.D student Mr. Vadthiya Narendra (2010REL54) for changing Ph.D programme from 'project staff' to MNNIT faculty after joining the ECED department on 15.10.2012 was considered and allowed for the same.
12. The recommendation of DPGC-ECED regarding Termination of Ms. Gunjan Srivastava (2009REL02) was considered and recommended to terminate her candidature from the Ph.D programme.
13. The application of Mr. Pawan Kumar Verma (2010REL53) regarding permission to register in the fourth and fifth semester was discussed and it was observed that Mr. Verma was in Canada from May 1st 2012 to October 31st 2012 against sanctioned leave from March 15th 2012 to August 31st 2012 granted by the Chairman-SPGC under PG Manual clause 6. But this fact of shift in plan was known to his thesis supervisor as he has verified on the application of the candidate.
